CAC is a unique overnight camp experience for students entering 7th grade - 2023 graduates. It is an action-packed week in a Christian environment designed to help students grow in their faith in Jesus Christ while having a great time with sports and team competitions.

Connect with God

CAC surrounds students with opportunities to connect with God. Morning devos, lunch time songs, evening worship/teaching, and small groups help students experience a week of connection.

Sports

We offer: Aerobics, Basketball, Baseball, Frisbee, Golf, Cross Country, Soccer, Softball, Sports Conditioning, Track, Tennis, Wrestling, Karate, Volleyball, Yoga, and Recreational Sports.

When you register, you will be given the chance to choose your top choices for sport options for each of the 3 daily sessions. Spots are filled as registrations come in, so be sure to register early!

Team Competitions

Community

What campers are saying:

"I loved how my group encouraged me and helped me come closer to God even when I messed up."

"My cross country team became family, the runs were fun, and everyone was so encouraging."

"I loved all my sports sessions and I had a great team. It was helpful having such a great staff."

Health Care

Because this is a camp full of strenuous activities, a current health/sports physical and copy of health insurance card are required to participate. These can be emailed to christianathleticcamp@gmail.com or brought to camp check-in on Sunday, July 16th.

We will have medical staff on site and any serious medical emergency needs will be taken care of at a hospital or urgent care facility.
