Stories from North America

- A GROUP FOR BIBLE-BASED TRAUMA HEALING
- A PROGRAM FROM THE TRAUMA HEALING INSTITUTE

This healing group uses the proven and time-tested model of the *Trauma Healing Institute at American Bible Society*. Using applied Scripture and best mental health principles, this group will help you address spiritual and emotional wounds caused by trauma and loss. We will be using the book, *Healing the Wounds of Trauma: How the Church Can Help*, which is in use in over 100 countries with more than 194 language groups.

Hopelessness, ongoing sadness or exhaustion, unexplained anger, flashbacks, feelings of being overwhelmed and/or isolated are some of the many effects of trauma and loss. If you have experienced a traumatic event or would like some Biblically based practices to help friends or family members walk through difficult times in life, you may benefit from this group.
